

SPS Annual Walk-A-Thon

St Paul's annual Walk-A-Thon is just around the corner. The event will take place at school on the morning of May 1st. Each child will walk or run laps to help raise money for the school. Our goal this year is \$10,000.00 and we need your help!

Please return your Pledge sheets to the office as soon as possible but **NO LATER** than April 29th.

We have the following great prizes for pledges received by April 15th:

- All students who bring in pledges or money will receive a jeans pass.
- The first 50 students to bring in \$65.00 of pledges/money will receive a really cool t-shirt that can be worn on Spirit Day!
- The student who brings in the most money wins \$100.00!
- The student who walks or runs the most laps wins a special prize!

Each child will need to solicit a minimum of \$25.00 in pledges for the school to have 100% participation and be successful. Please get Grandparents and family members involved as well as friends, and market the benefits of investing in St. Paul and our children.

Individual pledge sheets are attached. Corporate sponsors are also welcome.

WALK-A-THON

Dear St. Paul Friend

St. Paul and the Apostle School is a Catholic, self-supporting, co-educational, nationally recognized Blue Ribbon School of Excellence located in Richardson, Texas. St. Paul School focuses year round on quality education for our students. Education, as we all know, it is not limited to academics. The teachings of life skills that are spiritually and charitably based are essential when you consider that these young people are the future of our society. With this in mind, we are seeking donations to assist with our effort.

It is through the generosity of organizations such as yours that allows us the opportunity to accomplish the aggressive educational goals that have been set for our school. In addition, we are a "living textbook" that shows our students how to live in a society that works together and supports one another for the good of the community. This year's walkathon proceeds will not only offset needs in the approved budget for the school for the 2006-2007 school year, but will contribute budgeted funds to the following areas: technology, media center, library, learning lab and fine arts.

St. Paul School families would like to thank you in advance for your time and consideration. Included is a Walk-A-Thon contribution form for your convenience. Please do not hesitate to call if you would like to discuss donation options in more detail. To learn more about St. Paul School, please visit us at www.saintpaulschool.org.

Sincerely,

*Terry Wrenn
